After opening an account, the Client is obliged to make a prepayment for the amount of USD 120 (account maintenance fee for 6 months)

***USD 20** - first 6 months after account opening. Upon the expiration of six-month term, this fee will be calculated according to the monthly turnover on the account:

Less than USD 15 000 – USD 50

More than USD 15 000 – USD 20

The account is not charged with account maintenance fee in case there are no assets on the account.

If there are no securities on the account and the remaining cash balance is less than monthly account maintenance fee, DCCL will charge the account only for the amount equal to that remaining balance.

**Securities safekeeping services

Fee is calculated on monthly basis based upon the portfolio value as of the end of the month.

Portfolio value:

Debt securities: nominal value X number of securities on account as of the last working day

Equities: market price at the end of the last day of the month X number of securities on account

FX operations

EU Banks	
Internal FX (used in all cases except those listed below)	<USD 10 000 0,2% of total amount, min. USD20 (Reference rate - Bloomberg/EU bank)
	>USD 10 000 0,1 % of total amount, min. USD20 (Reference rate - EU bank, best available rate)

UA Banks	
Conversion: - Of received dividends (UA listed names) - Of proceeds from sale or redemption of UA listed names - USD into UAH currency for further operations with UA listed names	0,2% of total amount, min. USD 40.00 (Reference rate – UA bank, best available rate)

Recharges

DCCL reserves the right to recharge the following types of fees: notarial fees, re-registration fee, translation fee, tax registration fee, stamp duty, etc., that might occur.

DCCL reserves the right to change fees notifying the Customer at least 10 days in electronic form or by placing the updated fees on the official website before any changes come into force.

Out of pocket expenses

Any out of pocket fees charged by third party providers will be recharged by DCCL to the Customer.

Date of update: 27 February 2020
